Welcome to the JFK 2026-27 Academic Year!

We are delighted to provide you with this handbook, which contains valuable information for all our families this term. It will familiarise you with the school's aims, objectives, and practical day-to-day details.

We believe that both new and existing families will find this handbook to be a valuable resource. We encourage all parents to take the time to read its contents and refer to it as needed.

In addition to our core academic work, we offer a wide range of activities, trips, excursions, sports, and social events that complement classroom learning. This enriches the overall experience at JFK and contributes to our vibrant community spirit.

Our academic program, which forms the foundation of our school, continues to expand and evolve. We will maintain our focus on international curricula. Together, we will strive to make JFK an outstanding school while nurturing our strong sense of unity as a family.

We look forward to a successful and rewarding Academic Year at JFK!

Present and Ready to Learn

General

Good attendance and punctuality are an important part of a student's education. Moreover, attendance and participation in class are integral parts of the teaching and learning process, and regular attendance and punctuality develops patterns of behaviour which are essential to a successful personal, social and professional life.

As the school regards "parents as partners", we ask you to work with us to ensure that our students respect our expectations.

The John F. Kennedy School expects all students:

- to arrive on time in the morning
- to be fit and ready to learn
- to attend school regularly

Student Arrival time to their homeroom is between **08:10** and **08:20**

At **08:25** students will be in their first lesson, ready to learn. Students arriving after this time will be marked late.

Please note the following:

- The school records all late arrivals.
- Regular poor timekeeping is disruptive to the student's progress and is a habit not to be developed. It also adversely affects the learning of other students.
- If you know that your child will be late for school, please call the school **before 08:25**.
- You may not be aware that your child is late for school - s/he may leave home in adequate time for school and delay on the way. If your child is not at school by 08:40, the school will call the parents, to ensure that s/he is safely at home.

Homeroom teachers will contact the parents of the students who consistently arrive at class without the appropriate "tools for learning" or without the appropriate sports/ swimming equipment on sports/swimming days.

School Attendance

Attend school regularly - every day counts!

Regular school attendance is vitally important to a student's academic achievement to ensure that each student completes the required class work for the next class level.

The Curriculum is organised so that students progress through each stage successfully. Frequent absence makes it extremely difficult for students to keep up with the workload and develop the necessary skills to achieve their full potential. We therefore expect regular attendance throughout the school year.

If your child is absent from school:

- We ask you to excuse his/her absence by informing the office by email, letter or telephone.
- If no communication has been received excusing the absence, the school will contact the parents to inform them of the child's non-attendance at school and request an explanation.

Consequence of absence:

If a student accumulates ten days absence in any one term, the director will contact the parents to discuss this situation, outline the consequence to the student's programme of learning and propose ways in which this learning can be made up in the shortest delay possible.

JFK Student Support Centre

JFK has always prided itself on being a school that has a strong focus on the whole child, emphasising a holistic approach to learning and teaching.

No two children are the same and nor should the support they receive be, that is why we provide individualised additional support to each child who requires it.

The Student Support Centre houses all services related to student support, including English as an Additional Language (EAL), Special Educational Needs (SEN), and student counselling support. We have access to external specialists, including educational psychology.

We can support external referrals for occupational therapy and speech and language therapy (these services are not provided in school).

Communication Policy

The School Communication Policy 2025-2026 outlines the process of communication across our school community is clear and transparent for everyone. A copy of the policy is now available on our school website, please kindly take the time to read this policy.

Letters and information from the school administration and class teachers are sent home, via email, on a regular basis. Please check your email regularly and inform the school immediately if your preferred email addresses change.

In addition, JFK uses a WhatsApp parent information group to inform parents of upcoming events or any last-minute important information. This is only for use by the school office and parents are not able to comment or write messages on this school official group. The PTA has a separate WhatsApp group chat which parents may choose to opt in or out of for communication.

Your child's homeroom teacher should always be the first point of contact, teachers must only be contacted via email or through the school office.

Parents may not contact teachers or support staff via their personal telephone number or using WhatsApp, all emergency contact must go through the school office.

If you require any information about your child's education at JFK please contact your homeroom teacher in the first instance by email. In most cases your child's teacher will be able to answer your queries. In the event that this is not to your satisfaction, please contact the Head of Key Stage.

Here at JFK we take the communication of your child's progress very seriously. Throughout the year we hold parent teacher conferences and open houses where parents may discuss with the teacher and the child about their learning and progress. Teachers are available throughout the year, by prior arrangement, to discuss student's progress.

Parent-Teacher conferences are held every term, and detailed assessment reports are issued twice per year. Teachers are available throughout the year, by prior arrangement, to discuss a student's progress.

The school calendar, the most recent version of this document and several school policy documents are available on the school website.

As we use email as our primary method of communication, we do not advise parents to rely solely on a web-based mail such as Hotmail or Yahoo. Messages not delivered are often lost in these systems. We are happy to keep more than one of your addresses on our database to ensure all correspondence is received.

Some communication is occasionally sent via your children. Please check their school bag and diary regularly and remind them to be conscientious in delivering messages.

Parents, or their designated alternative, have a responsibility to be contactable at all times when their child is at school. Mobile phone numbers given on the emergency contact form must be switched on and at hand. Any changes to these details must be informed to the school immediately. Where parents are not available, especially if they are away from home, alternative emergency contact arrangements must be given to the school. The emergency contact person must be able to speak English, French or German and understand their responsibilities. A Parent or other Emergency Contact must be available to come to the school and collect a child if they become unwell.

JFK Health & Medication

Student Health

A health form must be completed and returned to the school administration each year before your child starts school. This form will be entered into Veracross and can be updated by parents through the Parent Portal.

In addition, we keep a medical record sheet in the school office in case of emergencies and this should also be completed when the child begins school and updated each year.

It is the school's responsibility to ensure an environment free from health hazards. Parents must keep their child at home if he/she has a fever, is suffering from nausea, an infectious illness or from a severe common cold or cough. If a child becomes ill at school, a parent will be notified immediately.

Children should not come to school with notes excusing them from Sport, Swimming or Skiing. If your child is too sick to participate, they are too sick to be at school. Where a child cannot take part in physical activity because of a pre-existing injury or for exceptional reasons, arrangements can be made with the Homeroom teacher in advance. A Parent must collect their child as soon as practically possible if the school deems that they are unfit to be in attendance.

Medication

The administration of medication by school staff is at the discretion of the school and must be agreed on an individual basis in writing. If your child must take medication during the school day the homeroom teacher **MUST** be informed and be given a copy of the completed medicine form. (Copies of these can be obtained at the office.) The homeroom teacher must then be given the medication to keep on behalf of the child. Medication will only be accepted if it is still in its original packaging; medication must not be portioned or divided into separate parts.

Children must **NEVER** bring medication to the school when the school has not been informed.

First aid

All of JFK staff have received up-to-date and relevant first aid training and they receive training regularly every other year. The staff will administer First Aid to the best of their ability. Minor injuries or illnesses will be referred to the local doctors. Should any serious treatment be necessary, an ambulance will be called, and the child will be taken to the emergency room of the nearest hospital.

Parents will always be contacted at the earliest possible time and kept fully informed

JFK Security Policy

Security

JFK expects and encourages visitors, both for educational and non-educational purposes, by person(s) not employed by the school organisation.

Whilst JFK believes that there are many potential benefits that can result from increased interaction with an extended school community, the school also has a legitimate interest in avoiding disruption to the educational process and protecting the safety and welfare of its pupils and staff. A balance must be achieved between the potential benefits and associated risks caused by the presence of visitors in our school buildings.

- All visitors & parents must report to the school reception when arriving or leaving the school premises.
- Whenever possible, visitors should obtain authorization from the Director or the administration in advance.
- Tradesman or trade representatives must be accompanied as they move around the school.
- No visitors may enter the Boarding Houses unaccompanied at any time.

JFK Uniform Policy

JFK places a high value on the benefits of a school uniform. The school has two sets of uniform regulations, one for the autumn and spring terms and a winter uniform for the winter term.

Full details of the JFK School uniform are distributed to all students and parents annually. Please refer to this document for full details of the school uniform. Uniform can be ordered at the beginning of the school year and through the school office at other times. New students must order at least the uniform starter pack, prior to commencement.

Students who attend JFK only for the winter term may purchase a specific winter uniform starter pack.

The school expects the full cooperation of both students and parents to ensure that the correct use of school uniform is always evident

The school always encourages and expects a neat and tidy appearance from all students all times. Children with long hair should have it tied back for health and safety reasons. Children may wear one piece of jewellery and a simple inexpensive watch. Make-up is not permitted during any school activity.

Non-Uniform Days

The school may from time to time announce non-uniform days. Often these occur at the end of a term and are linked to activities of the Student Council or school charitable events.

Rules related to jewellery, hair and make-up are not waived on non-uniform days.

Personal Items

Please label your child's name in all of his or her clothes, shoes, school and personal items.

What Not To Bring To School:

- Jewellery (with the exception of an inexpensive wristwatch, ear studs or items worn for religious reasons).
- Electronic toys or music players.
- Penknives or any other sharp objects.
- Toy guns or weapons of any kind.
- Any items of significant value.

Mobile phones may strictly not be used during school time. Students who use mobile phones during the school day will have them confiscated by their teacher with a flag issued and recorded in Veracross. The mobile phone will only be returned at the end of the school day. If a student needs to bring a mobile phone to school, this must be handed to their teacher at the start of the day for safe keeping and will be returned at the end of the school day.

Lost Articles

A Lost and Found box is kept and is available near the School Office.

JFK accepts no responsibility for any item lost by a child during any part of the school day.

Parking, Drop-Off and Pick-up Procedures

All schools generate a significant amount of traffic at the peak morning drop off and afternoon pick-up times. It is the duty of all schools to try and reduce the impact of this movement on the local community in which we live and work.

We encourage the use of the public transport and where age appropriate, the chance for children to travel to school on foot or by bicycle.

Where children use a bicycle or scooter to come to school, they must wear a helmet at all times and their bicycle/scooter must be locked to the storage racks provided outside the Play School.

From time to time, the school publishes advice and guidance to parents on the procedures for both morning and afternoon journeys, we encourage parents to follow these accurately.

JFK encourages car sharing and urges parents to communicate and cooperate wherever practical.

- In the morning, parents who drive to school are asked to park either in front of the Reuteler Bike Shop, in the car park Chaletbau Matti at the end of the school field or at the railway station.
- Parking on the pavement, roadside or anywhere that may obscure the pedestrian crossing are not permitted and may incur fines from the local police service.
- **Parents are asked NOT to drive up the hill to the schoolhouse. As children and other pedestrians are often in this area, it causes an unnecessary risk. In winter the hill is also often icy and dangerous to drive on.**
- Parents should not enter the school buildings at the beginning or end of the day unless they have made a prior appointment. Parents of Reception children are welcome to accompany their children to the building door.
- At the end of the day, all parents may collect students in the parking area beside Chaletbau Matti. please do not stand in the road or allow children to stand in unsafe areas.
- Parents who bring pupils into school after the start of the school day due to hospital, doctor or dental appointments, should announce their arrival in the School Office.

JFK Homework Policy

At JFK, teachers will:

- provide a homework diary and a reading record where students should note down homework assignments carefully including the date on which they are due.
- provide clear guidelines to ensure that students understand the requirements of each homework task and are aware of due dates.
- provide a homework folder in which all homework assignments and resources should be kept.
- offer further guidance and advice where necessary.
- ensure that time required to be spent on homework is kept to a reasonable limit.
- mark homework assignments and provide clear feedback.

At JFK, students will:

- take careful note of each assignment given and the date that it is due.
- ensure, at least **2 nights before homework is due**, that they understand all requirements and have all the information and resources they need. If not, they should speak to the teacher **no later than 1 day before the homework is due**.
- take careful note of instructions and resources given and fulfil all requirements carefully to the best of their ability.
- ensure that each homework task has a high standard of presentation.
- keep all resources and homework tasks in their homework folder.

At JFK, parents will:

- take an interest in homework given and will provide support that may be required.
- sign the homework and reading diary each week.

Primary homework overview

For students in Year 1, homework will be gradually introduced as appropriate.

For students in Year 2-5, weekly homework will be given in literacy and numeracy. Students may also receive occasional French homework. Homeroom teachers may also assign a special homework connected with the unit being studied in class e.g. a research homework about Egyptian pyramids or creating a model of the tropical rainforest. Year 2-5 homeroom teachers will provide details of homework on a weekly basis which will be recorded in the homework diary.

Students are advised to spend some time each evening on the homework tasks, in the order advised by the teacher, but it is important that students have the choice of organising their time around other commitments they have outside of school.

Primary students are encouraged to sign up for the Homework Club after school where a teacher is on hand to provide support where appropriate.

How much time should a primary student spend on homework?

All students should spend at least 15 - 20 minutes daily, reading, being read to and talking about books.

Year 1: Homework will be introduced as appropriate and in discussion with the parent.

Year 2-5: 1 piece of literacy and 1 piece of numeracy per week.

Middle School homework overview

For students in middle school (Y6 - Y9), regular homework will be provided in the core subjects, but other subjects may give homework as required to finish off tasks or for revision purposes:

- Language Arts
- Mathematics
- Science
- French/German

The homework timetable, to be found in homework diary, outlines which day each subject teacher will **normally** require their homework to be handed in.

How much time should a middle school student spend on homework?

Each regular homework task should take Y6-7 approximately 30 mins to complete. Y8/9 will be given longer tasks of up to 1 hour.

We encourage parents/carers to check the homework agenda weekly however, Middle school students are encouraged to become independent and responsible for their own learning and organisation.

In the event of inconsistent homework completion, a flag will be logged in Veracross by the subject teachers and this will be followed up by homeroom teachers. Demerits and possible detention may be issued following a discussion with the student, parent and homeroom teacher.

If students are spending excessive time on homework tasks, please inform the homeroom teacher who will liaise with the subject teachers.
